The Honorable Richard G. Lugar
United States Senate
Washington, D.C. 20510

Dear Senator Lugar:

STAT This is in response to your letter of 7 February 1985 to the Director of Central Intelligence requesting continuance of the [redacted] Intelligence [redacted] clearances for Mr. Charles N. Andreae. We understand it is your intention as Chairman of the Senate Foreign Relations Committee to have Mr. Andreae act as a consultant to the Committee for intelligence related matters.

STAT Mr. Andreae is well known to this Agency through his previous assignment on the Senate Select Committee on Intelligence, and is held in high regard by all those who have worked with him. We will be pleased to maintain his Agency Top Secret clearance, but in keeping with policy reaffirmed by the DCI in response to this and another recent request, he may not keep his [redacted] clearances.

STAT Director of Central Intelligence Directive 1/14 restricts compartmented accesses to "permanent staff persons of Congressional committees designated by committee or subcommittee Chairmen...." As we understand it, Mr. Andreae is being employed as a member of your personal staff, and his use as a Committee consultant would not change that status. Historically it has been our policy not to grant [redacted] clearances to personal staff. We have received, this year as in previous years, similar requests for personal staff clearances, and have denied them. I am sure you appreciate the need for us to apply the policy consistently.

With regret,

Charles A. Briggs
